

Preparing for Your F-1 Visa Interview

Plan in Advance

F-1 visa application procedures vary from one US embassy or consulate to another, so you must be certain to follow the guidelines for the office *you'll be visiting*.

Be Ready on the Day of the Interview

What to Expect at the Interview

excessive nervousness on your part may be interpreted by the officer as deceptive or suspicious behavior.

What is your expected major/minor? Why? What are your academic plans?

How long are you going to stay in America?

Do you plan to come back home after graduation?

- 4. What do your parents do? Who will finance your study? Do they have enough resources to support you?**

Where are you going to stay in the U.S?

What to Expect after the Interview

Once you have received your passport, please check your new F-1 visa stamp for accuracy.
